

Writing: a message
asking for information

**Read the instructions and write a text. Send it to me:
fer.torres.1994@gmail.com**

**A classmate invited you to their house for dinner.
Write a message to your classmate. Ask two questions
in your message.**

Here are some ideas:

- **Say what you are doing right now.**
- **Ask questions about their address, transport to their house, or when you are going to meet.**

Useful language:

Hi, ...

I'm going / doing / having ...

Sorry, I can't remember ...

First, ... And ...

Where / How / When / What bus ... ?

Thanks!
